CALL FOR PAPER

IIWAS and MoMM Doctoral Showcase, Bali, 3-5th December 2012

The program provides a venue for early-stage to advanced-stage research students to demonstrate their work to experts attending IIWAS and MoMM conferences. Advanced-stage students are typically are those who have developed the model and conducted experiments. Early-stage students are those who are in the process of completing or have just completed their research proposal. Submission up to 6 pages for advanced-stage students and 4 pages for early-staged student are sought. Submission will be evaluated by a panel of experts. High quality submissions will be considered as inclusion to the conference proceeding.

The author of accepted submission will be required to produce poster to be exhibited during the conference and be available for the presentation at the conference. Papers submitted to the Doctoral Showcase will also be included in the best student paper awards selection of iiWAS/MoMM. In addition, best poster award will also be conferred at the conference.

Submitted papers must not substantially overlap with papers that have been published or that are simultaneously submitted to a journal or a conference with proceedings.
